

PARTNER WITH US.

When you partner with Entryway, you'll help contribute to a program that serves both the economic and social good of local communities and the multifamily industry. Your properties will gain driven, ready-to-work employees who want to grow within your company. In addition, Entryway would also like to offer the following promotion of our partnership:

Level 1: Onboarding

Upon making the decision to partner with Entryway, you will receive the following to promote the partnership:

- Announcement of partnership to share internally with associates
- Sample social media posts
- Your company logo on Entryway website

Level 2: First Hired Participant

When an individual is successfully placed with your company, you will receive:

- A partner spotlight post on Entryway national social media channels

Level 3: Featured Partner

After three successful placements in one year, you will receive:

- Your company logo on our Featured Partners section of website
- An end of year impact report on the partnership and positive change for local communities
