

Opening the Door FOR TALENT

Entryway opens doors for individuals and families at risk of and facing situational homelessness to return to economic independence. At Entryway, we leverage the trillion-dollar apartment industry to create a unique solution for individuals who are motivated, ready to work, and looking to step into a much-needed opportunity. Entryway participants receive **career training, life skills, mentorship**, and access to **full-time employment** and **discounted housing opportunities** with our apartment industry partners. We break down barriers for individuals and families so they can step into their true potential. It's a **win-win-win solution** for our participants in need of stability, for our industry partners in need of trained talent, and for healthier communities.
