WHO

Entryway Central Texas is the newest branch of Entryway, a nonprofit that has lifted over 900 individuals and family members out of homelessness. We identify and train entry level talent for our multifamily hiring partners.

WHAT

The most fun you'll have in Bluebonnet season! A party with live music, dancing, food and drinks at one of Central Texas' best music venues. Come to network and connect with multifamily leaders, local government officials, and support a great cause.

WHY

All proceeds help end homelessness for individuals and families through career training, life skills, mentorship, and access to full-time employment and discounted housing opportunities with our apartment industry partners.
